## Do you have enough life insurance for tomorrow?

If you purchased this amount of life insurance...	\$50,000	\$100,000	\$250,000	\$500,000	\$1,000,000
And your family spent \$25,000 for last expenses,	\$25,000	\$75,000	\$225,000	\$475,000	\$975,000
Your family will have this monthly income for 10 years or	\$263	\$788	\$2,365	\$4,992	\$10,247
This monthly income left for 20 years or	\$163	\$488	\$1,465	\$3,093	\$6,349
This monthly income left for 30 years.	\$132	\$396	\$1,188	\$2,508	\$5,147

Assumes 5% interest on lump sum. 28% tax bracket.
